

LLOYD BURNARD

OWNER / MANAGING DIRECTOR

PROFILE

Lloyd has worked within the fuel and oil response, environmental and decommissioning industry since 1996, his involvement and, later in his career, management of a varying degree of projects has allowed him to expand his knowledge and experience within all areas.

Lloyd has earned a name for himself with key clients as the 'go to' for rapid response project management for incident response and environmentally sensitive projects. His track record in delivering high profile and high-risk projects on time whilst exceeding client and third-party expectations is second to none.
