

NIGEL FRIEND

ASSOCIATE DIRECTOR

PROFILE

Nigel has an unrivalled depth of knowledge and expertise in the construction, demolition and petroleum industries. With over 35 years' experience, he has built a strong reputation for delivering complex, high value decommissioning projects for clients including the MOD, NHS, Local Authorities and HM Prison Service, and a number of major oil companies and large engineering consultancies.

Nigel specialises in planning and delivering decommissioning, tank maintenance and ground remediation projects ranging from filling station decommissions and multi-site tank maintenance contracts, to commercial tank farm cleaning and fuel tank inspections. He has an excellent track record in health and safety and is renowned for ensuring all projects are delivered with minimal impact on the environment.
