

Quality Policy Statement P003

REDS Group Ltd is committed to ensuring it delivers and maintains a high quality of services, processes and procedures provided to its clients, stakeholders and all interested parties.

The Directors and all personnel of REDS Group Limited are committed to a policy of assuring the supply of quality services, processes and procedures in accordance with the Group's organisational goals and the expectations and needs of all interested parties in all aspects of the Group's operational areas and services it supply's.

The Directors and Senior Management accept all responsibility for the provision of qualified and experienced management, personnel and skilled tradesman, suitable resources, documented working practices and procedures to ensure all contract commitments are both efficiently and effectively delivered and achieved.

The Group's Business Management System is certified to ISO 9001:2015 which is subject to continuing programme of internal and external assessment and surveillance.

To ensure the continued effectiveness of the Group's Management System, the Directors have appointed a SHEQ Manager with responsibility for the continuity of the Business Management System including the continual review of Group's management system, policies and procedures in line with our current business activities to ensure full compliance with the International Standard for Business Management Systems and Legislation.

The organisation's Quality Policy is a statement regarding quality of services, processes and procedures which is fully supported by the Director(s), senior management and personnel employed by REDS Group Limited.

The person responsible for the implementation of this policy is REDS Group SHEQ Manager.

Signed

Lloyd Burnard
