REDS

REDS delivered the project on time and within budget.

Their professionalism and knowledge of the industry is second to none.

LEAD PROJECT MANAGER
SOUTH WEST

Introducing REDS

REDS Group offers bespoke services to support facilities management companies, construction companies, and specialist contractors across the Defence estate.

REDS Group provides HazMat, fuel, and environmental-based services to organisations across all UK Government facilities including nationwide defence infrastructure; experts are pre-approved for working on sensitive security clearance sites, ensuring our ability to carry out site visits and works unescorted.

Defence Services
